5. All corrections and alterations in accounts shall be neatly made in red ink and attested by the initials of the Chairman. All corrections and alterations in a voucher shall be attested by the payee. Erasures shall on no account be permitted in registers, statements, vouchers or accounts of any description.

6. No expenditure shall be incurred for which provision has not been made in the budget estimate for the year, or in a supplementary budget estimate, or which has not been duly sanctioned by the District Board, or by the Chairman or other executive officer of the Board acting in the exercise of the powers conferred on him by the Act or the rules made under the Act.

7. The Chairman shall cause to be kept a register of establishment in Form No. I showing in respect of all establishments whatsoever employed by the District Board the particulars specified in the form. A separate page or section shall be allotted to each class of establishment. All changes made by competent authority from time to time in the numbers, nomenclature, or salaries of the establishment shall be immediately entered in the register, with the number and date of the orders authorising the change. This register is not intended to show officiating appointments, and no entries relating to these should therefore be made.

8. Every employé of the District Board shall be required to keep a service-book in the form prescribed for uncovenanted servants of Government, and all entries made therein shall be renewed or attested by the Chairman at least once every five years.

9. The Chairman shall promptly report to the Accountant-General, Bengal, and the Commissioner of the Division, through the Magistrate of the District, if he is not the Chairman, the occurrence of any embezzlement or irregularity in the accounts of the District Board which may come to his notice, and shall observe the rules and procedure prescribed for reporting embezzlements and irregularities occurring in Government offices.

BUDGET ESTIMATES.

10. The Collector of the district shall, on or before the 1st September in each year, prepare and transmit to the District Board an estimate of the balance of the District Road Fund to be transferred to the credit of the District Fund during the financial year next ensuing under section 52, clause (1) of the Act.

11. A budget estimate in Form No. II showing the probable receipts and expenditure of the District Fund under all heads during the ensuing financial year shall be prepared by the Finance Committee constituted under section 55 of the Act, and shall be laid before the District Board at a meeting to be held not later than the 1st October in each year.

12. The budget estimate shall set forth estimated receipts and expenditure under major and minor heads, of account only; and shall be accompanied by a schedule in Form No. III for each major head, in which shall be entered full details of the estimated receipts and expenditure under that head, working up to the totals shown under that head in the budget estimate.

13. The budget estimate and schedules shall show (1) the actual receipts and expenditure for the latest year for which the accounts have been closed; (2) the sanctioned estimate, the revised estimate, and six months' actuals for the year then current; and (3) the probable receipts and expenditure for the ensuing financial year.

14. In entering the details of receipts and expenditure in the schedule for each major head, the same forms and the same degree of particularity shall be observed as are prescribed for District Budget estimate under the orders of Government, the Accountant-General, Bengal, or other competent authority. In preparing the schedule for Public Works under the control and administration of the District Board, the rules and forms prescribed for the budget estimates of District Road Committees under the Cess Act IX (B.O.) of 1880 shall be observed.

15. The budget estimate and schedules shall be accompanied by explanatory notes, explaining any new and important item of receipt or expenditure, and when any new charge requires the sanction of superior authority, by a copy of the order of sanction.

16. The District Board shall never, except with the previous sanction of the Lieutenant-Governor exhaust or exceed its balance in the treasury; and the budget estimates shall be framed so as to provide for an adequate working balance throughout the year, and for an adequate closing balance. The Commissioner shall decide what constitutes an adequate working and closing balance, and his decision shall be final.

17. No change shall be made in the major or minor account headings prescribed by Government, and the same account headings shall be used in all accounts and returns prepared or submitted by the District Board.

The minor heads of account may be sub-divided in the Cash Abstract registers as may be found convenient, but all statements and returns shall be compiled by totals of minor heads.

18. In preparing the budget estimate, attention shall be given to the following points:—

- (a) What is expected to be paid (under proper sanction) during the year shall be provided for, not the liability falling due within the year.
- (b) For fixed charges the detailed estimate shall show the full amount of the sanctioned scale; when it is found by experience that a saving will arise from any cause, a lump deduction may be made.
- (c) The number of employes shall be carefully stated in the detailed estimates and checked; the rate of pay shall be stated, wherever possible, in order to admit of verification of the column of charge.

19. The District Board may at any time, with the previous sanction of the Commissioner, transfer grants from one major head of account to another, and from one minor head to another minor head subordinate to the same major head; provided that the total budget grant is not thereby exceeded.

20. If at any time during the year the District Board has reason to believe that the budget under any head is likely to be exceeded, and that the excess cannot be met by a reduction under some other head, a supplementary budget estimate shall be prepared with the least possible delay, and submitted through the Magistrate for the orders of the Commissioner in the manner prescribed in sections 47 to 49 of the Act.

If the Board has reason to suppose the receipts under any head are likely to fall materially short of the budget estimate, a revised budget estimate shall be prepared with the least possible delay, and submitted as above for the orders of the Commissioner.

TRANSACTIONS WITH THE TREASURY.

21. The District Fund shall be lodged with the Collector of the district, who shall keep a separate account thereof.

22. The District Board shall not appropriate towards expenditure any moneys received by its servants; but all such moneys shall be remitted by the Board's servants direct to the treasury at once, and shall not be paid in through the medium of the District Board's office.

23. All money paid into the treasury to the credit of the District Fund, whether by servants of the District Board or others, shall be accompanied by a challan in Form No. IV. This challan shall be in triplicate, having the words "Original," "Duplicate" and "Triplicate" printed or written in red on the first, second and third parts respectively. The first part shall be retained by the treasury office, the second part shall be sent to the office of the District Board whenever the pass-book is returned, and the third part shall be delivered to the person paying in the money.

24. All moneys remitted to the treasury to credit of the District Board, and all payments made by the treasury on cheques or otherwise on account of the District Board shall be entered in a pass-book; the pass-book shall remain in the custody of the Chairman, and it shall be sent to the treasury with every remittance, and also on the last working day of every month. On receipt of the pass-book by the treasury officials, the entry of the remittance made (if any) shall be initialled by the treasury officer, and then the charged side shall be written up to date, and the book returned at once to the office of the District Board.

The pass-book will be supplied by the treasury. It is not a District Fund account book, but is simply a copy of the account kept in the treasury of the money paid in to the credit of, and disbursed on account of, the District Board, and must therefore always be written up only by the Government Treasury Department, by whom the original account is kept.

25. No entries or marks shall, under any circumstances, be made in the pass-book by any one connected with the District Board's office.

26. At the close of each month the balance in the pass-book shall be struck, the amount written in words, and signed by the Treasury Officer.

27. The Chairman shall examine the pass-book from time to time, and shall immediately call the attention of the Treasury Officer to any discrepancy that may appear between the credits and debits shown in the pass-book, and those shown in the accounts of the District Board's office.

28. When a grant is made to the District Fund from Provincial revenues, either as a general grant-in-aid, or for expenditure on any specific object, the Chairman shall apply to the Treasury Officer to credit the amount of the grant to the District Fund, forwarding a copy of the orders of Government sanctioning the same; and the Treasury Officer shall, on receipt of instructions from the Accountant-General, place the amount of the grant to credit of the District Fund. The credit shall be made by book transfer; no bill or cheque shall be drawn, and no money shall be paid out of the treasury.

29. On the last working day of each month, the balance of the road cess collections of the month, after deducting from the amount received on account of "cess on land" the

charges for collections, shall be transferred to credit of the District Fund, and entered in the pass-book in the following details:—

| | Rs. | A. | P. | Rs. | A. | P. |
|--|-----|-----|-----|-----|----|----|

| Cess on mines and railways | ... | ... | ... | | | |
| Interest on arrear collections of Road Cess | ... | ... | ... | | | |
| Total | ... | ... | ... | | | |

30. The Treasury Officer shall supply the Chairman, immediately after the close of each month, with a balance certificate in the following form:—

PAYMENT OF CLAIMS.

31. For the payment of petty charges, the Chairman shall hold a permanent advance of such amount as the District Board may fix from time to time; provided that without the sanction of the Commissioner, the District Board shall not fix the amount of the permanent advance at more than Rs. 100.

32. The permanent advance shall be recouped as often as may be necessary, and in the manner prescribed for the recoupment of the permanent advance of the District Magistrate and Collector; provided that the cash for the recoupment of the permanent advance shall be drawn from the treasury by cheque.

33. Payments of not more than Rs. 20 shall be made from the permanent advance; provided that no charge on account of the salary of any employé of the District Board shall be made otherwise than as prescribed in Rules 34 and 38.

34. All payments exceeding Rs. 20 shall be made by cheque, unless there are special circumstances rendering payments in cash desirable; provided that all payments of sums above Rs. 10 on account of salaries of employés of the District Board shall be made by cheque.

35. Cheque-books will be supplied by the Treasury Officer only, and no other form shall be used. Cheque-books and the counterfoils of used cheques shall be kept in the custody of the Chairman.

36. Cheques for sums not exceeding Rs. 100 shall be signed by the Vice-Chairman, or, in his absence, by the Chairman, or, if both be absent, by a member of the Finance Committee. Cheques for sums exceeding Rs. 100 shall be signed both by the Chairman and the Vice-Chairman. If the Chairman or Vice-Chairman is absent or is from any cause incapacitated from signing the cheque, it shall be signed by a member of the Finance Committee for the Chairman or Vice-Chairman as the case may be.

37. No cheque shall be signed unless required for immediate delivery to the person to whom the money is to be paid.

38. Every cheque shall be drawn in English in favour of the person to whom the money is actually due. Payment shall not be made to any other person except on production of a written authority from the creditor to receive it on his behalf. This rule does not apply to cheques issued for a sum of money distributable as pay or wages among a number of District Fund employés, or for recouping the permanent advance, or for payment to a postmaster for a money-order or money-orders issued for payment of stipends or rewards to gurus.

39. The amount of every cheque shall be written in words as well as in figures, both on the cheque itself and on the counterfoil, and the counterfoil shall be initialed by the person or persons who sign the cheque. The word "only" shall always be inserted after the amount written in words in the body of the cheque.

40. Every cheque drawn for a sum in excess of Rs. 20 shall bear a receipt stamp of the value of one anna, and such receipt stamp shall be affixed before the cheque is signed.

41. When a signed cheque is cancelled, it shall be stamped "cancelled" by the Chairman. The cancelled cheque shall be destroyed as soon as the accounts for the month in

which the cheque was drawn have been audited. The amount of the cancelled cheque shall be entered as a receipt on the debtor side of the cash-book (Form No. V), and shall be treated as a refund. (See Rules 57 and 58.)

42. Every bill or other claim for payment from the District Fund shall be presented in the first instance to the Accountant, who shall check and examine it, and if it be found correct and in order shall submit it for orders to the Chairman. If payment of the bill so presented is to be made, an order for the payment shall be endorsed upon it. The order for payment shall run as follows:—"Pay Rupees _____ only (Rs. _____), the amount being written in words as well as in figures, and shall be signed by the Chairman.

43. If payment is to be made from the permanent advance, the Chairman shall first cause the bill to be stamped with the words "Paid in cash," and shall then sign an order for payment across the bill and pay the money from the permanent advance.

44. If payment is to be made by cheque, the Chairman shall cause the bill to be endorsed with the words "paid by cheque No. _____," and shall then sign the endorsement and cause the cheque to be drawn out, signed and issued. Whenever necessary and convenient to the treasury, cheques issued from the District Board's office may be encashed at the district treasury for payment at a sub-treasury. In all such cases the cheque with the contractor's certificate or bill shall be sent from the District Board's office to the Chairman of the Local Board, where there is a Local Board, or to the Sub-divisional Officer in charge of the sub-treasury concerned for delivery to the payee, an advice under registered cover being sent at the same time to the payee. On delivery of the cheque, the contractor will sign the receipt on the certificate or bill form, and the Chairman of the Local Board, or Sub-divisional Officer will return the bill direct to the District Board's Office.

45. When any payment is made, either by cheque or in cash from the permanent advance, it shall be immediately entered in the accounts of the District Board. In the former case, it shall be entered in the cash-book (Form No. V). In the latter case, it shall be entered in the permanent advance account (Form No. XVI).

46. Every payment made, either in cash or by cheque, shall be covered by a receipt, stamped if necessary, signed by the person to whom the money is due, and to whom it has actually been paid. A receipt signed by another person for the creditor, or with a stamp, is invalid.

47. All bills and vouchers that have been paid by cheque shall be numbered consecutively for the year in order of payment, and shall be pasted in a guard book.

CASH-BOOK.

48. The District Fund cash-book shall be kept in Form No. V. The receipt entries in this book shall be made direct from the pass-book in the case of amounts credited direct to the Fund by the Collector of the district. In the case of other receipts the cash-book shall be posted as soon as any money is received in the District Board's office by means of money-order irrespective of whether the money is immediately remitted to the treasury or not.

Expenditure shall be entered day by day as cheques are issued (See also Rule 45).

49. The cash-book shall be closed and balanced once a month and shall be signed by the Chairman. In the event of any cheques issued during a month remaining uncashed by the treasury at close of the month, there will necessarily be a difference between the balance brought out in the cash-book and that of the treasury pass-book, and of the certificate issued by the Treasury Officer under Rule 80. This difference shall be explained by a note in the last page of the cash-book for the month in the following manner:—

| | | Rs. | A. | P. | Rs. | A. | P. |
|------------------------------|-----|-----|-----|-----|-------|----|----|
| Balance as per cash-book | ... | ... | ... | ... | 5,047 | 15 | 6 |

| | | | | | 90 | 0 | 0 |
| Balance as per cash-book | ... | ... | ... | ... | 5,137 | 15 | 6 |

PERMANENT ADVANCE.

50. When the permanent advance is drawn for the first time, or is subsequently recouped, the amount so drawn or recouped shall be charged off at once in the cash-book as soon as the cheque is issued. The amounts so drawn shall be debited to the head "Advances," and posted in the advance ledger (Form No. VIII), and shall remain at the personal debit of the Chairman till they are repaid or accounted for.

51. The Chairman shall make payments from his permanent advance from time to time as may be required. Each bill or voucher so paid shall be stamped "Paid in cash," and every payment shall be entered in both the foil and counterfoil of Form No. XVI.

When it becomes necessary to recoup the permanent advance, the Chairman shall compare the bills and vouchers with the entries in Form No. XVI, shall deface them by stamping them "cancelled," so that they cannot be used again, shall note on the counterfoil of Form No. XVI, "recouped by voucher No. _____, dated _____," and shall encase the foil for payment of the sum expended and draw a cheque for the amount.

CASH ABSTRACT REGISTER OF RECEIPTS AND EXPENDITURE.

52. All the entries on the receipt side of the cash-book (Form No. V) shall be posted direct from the cash-book into the cash abstract register of receipts (Form No. VI), and all the entries on the payment side of the cash-book shall be posted into the cash abstract register of expenditure (Form No. VII).

The cash abstract registers shall be posted as frequently as may be convenient, but in no case later than ten days after the close of the month to which the accounts relate.

53. Each item of receipt or payment appearing in the cash-book shall be posted separately into the cash abstract registers. Thus, if there be two or three payments on the same day on account of the same head of expenditure, there will similarly be two or three entries under the same head in the cash abstract register; i.e., the separate items appearing in the cash-book, and not the totals of the daily receipts or expenditure for each head, shall be posted into the cash abstract registers.

54. The columns of the cash abstract register shall be totalled every month, and the totals of the different heads of receipt and expenditure must necessarily be equal to the totals of receipts and payments in the cash-book.

ADJUSTMENTS.

55. At the foot of each month's account in the cash abstract registers of receipts and expenditure (Forms Nos. IX and X) two lines are left blank for the purpose of entering therein, and bringing upon the books of the District Fund, the adjustments made during the month.

56. Adjustments are transactions which have to be recorded in the monthly and annual account of the District Fund, but which are not actual cash transactions, and which therefore do not in all cases appear in the District Fund cash-book.

57. Adjustments are of four kinds—

- (1) The transfer from one head to another of items of receipt or expenditure wrongly classified in the first instance in the cash abstract registers.
- (2) The transfer of a sum of money from the head "Advances" to a head of expenditure.
- (3) Refunds of revenue received or of expenditure incurred during the current year of account.
- (4) The debit to a head of expenditure by credit to "Deposits received" of a sum of money due on a contractor's bill, but not paid, being retained as a security deposit for the due execution of future works.

These transactions shall be entered item by item in the register of adjustments (Form No. VIII), whence the totals pass into cash abstract registers of receipts and expenditure.

58. The method of entry in the register of adjustments is as follows.—

(a.) In case (1) the adjustment shall be made by entering the amount in the space for "Adjustments by addition" in the column for the head to which the amount is to be added, and again in red ink in the space for "Adjustments by deduction" in the column for the head from which the amount is to be deducted. Both entries will be made on the receipt side if the amount is to be transferred from one head of revenue to another, and both will be made on the expenditure side if the amount is to be transferred from one head of expenditure to another.

(b.) In case (2) the adjustment shall be made by entering the amount in the space for "Adjustments by addition" in the column of the expenditure side for the head to which charges on account of the particular expenditure incurred are to be taken, and on the receipt side in the space for "Adjustments by addition" under the head "Advances recovered." A corresponding entry must of course be made on the receipt or credit side of the advance ledger (Form No. XVII) of the person by whom the expenditure was incurred, and to whom the amount adjusted was originally advanced.

(c.) In case (3) the adjustment shall be made by entering the amount in the space for "Adjustments by deduction" in the column of the receipt or expenditure side for the head to which the amount refunded was originally credited or debited, and on the expenditure or receipt side in the space for "Adjustments by deduction" in the column for "Refunds."

This procedure, however, shall not be followed when the refund made during the month is on account of revenue received during a previous year of account. In this case, the amount refunded will remain at the debit of the head "Refunds," and no adjustment shall be made.

In every case of refund of revenue a note of the refund shall be made against the original entry of receipt in the cash-book or other register, so as to guard against a second refund of the same amount being accidentally made.

(d.) In case (4), the adjustment shall be made by entering the amount on the expenditure side in the space for "Adjustments by addition" in the column for the head to which the balance of the charges of the bill from which the deduction has been made has been taken, and on the receipt side in the spaces for "Adjustments by addition" under "Deposits received."

59. Adjustments made by deduction in the cash abstract registers shall always be exhibited in red ink.

MONTHLY, QUARTERLY, AND ANNUAL ACCOUNTS.

60. Registers of monthly receipts and expenditure shall be kept in Forms Nos. IX and X.

These registers shall be compiled month by month from the cash-book and the total of each head of account shall be checked with that brought out in the cash abstract register.

61. At the close of every month a monthly abstract of receipts and charges extracted by totals of minor heads from the registers of monthly receipts and expenditure (Forms Nos. IX and X) shall be prepared by the District Board in Form No. XII. The memorandum on the first page A of the Form showing the balance of the Fund will simply be a repetition of the memorandum as explained in Rule 49, in connection with the cash-book, reconciling the balance of the cash-book with the balance of the pass-book.

The account supported by the Treasury Officer's balance certificate (*see* Rule 80) shall be despatched to the Accountant-General, Bengal, not later than the 25th day of the month following that for which the accounts are due.

62. The quarterly and annual accounts prescribed by section 54 of the Act shall be compiled from the registers of monthly receipts and expenditure, and shall be in Forms Nos. XIII and XIV.

63. The quarterly account shall be published by lodging a copy, signed by the members of the Finance Committee and countersigned by both Chairman and Vice-Chairman, in the office of the Magistrate and Collector of the district. The annual account shall be published by lodging a copy, signed and countersigned as above, in the office of the Magistrate and Collector of the district, and by publishing in the *Calcutta Gazette*.

64. The quarterly and annual accounts shall be published as provided in the last preceding rule not more than one month after the close of the period to which they respectively relate.

ADVANCES AND DEPOSITS.

65. All money advanced to officers or employes of the District Board, or to contractors or other persons (whether on account of the permanent advance or otherwise), shall in the first instance be charged to the head "Advances" in the cash abstract register of expenditure and entered in the advance ledger (Form No. XVII). A separate account shall be opened in this ledger for each person to whom an advance has been given, and this account shall be credited with the amount of payments made, and of adjustments made, in the manner prescribed in the second clause of Rule 54.

66. All sums of money received by way of security deposit from contractors or others, and all sums received which are not the property of the District Fund, and have been placed with the District Board for a temporary purpose only, shall be credited to the head "Deposits received" in the cash abstract register of receipts (Form No. VI), and shall be entered on the credit or receipt side of the deposit ledger (Form No. XIX). A separate account shall be opened in this ledger for each person by whom a deposit is made; and this account shall be debited with amount of repayments made, and of adjustments made, in the manner prescribed in the last clause of Rule 57.

67. Each separate account in the ledgers of advances and deposits shall be balanced by the Chairman not less often than once a quarter.

68. At the close of every month abstract accounts shall be prepared of all advances and deposits given or received, and adjusted during the month, and the balances remaining unadjusted.

The abstract of advances shall be prepared in Form No. XIX, and the abstract of deposits in Form No. XXI.

RENTS OF POUNDS, FERRIES, AND LANDS AND OTHER RECEIPTS THE DEMAND FOR WHICH IS FIXED BEFOREHAND.

69. Printed and substantially bound registers of receipts on account of pounds, ferries, &c., the demand for which is fixed beforehand, shall be opened each year in Form No. XV annexed, in which specimen entries have been made for guidance.

70. A sufficient number of pages shall be set apart for the index which shall show—

| Serial number. | Name of pound or ferry. | Name of lessee. | Page of register. |
|----------------|-------------------------|-----------------|-------------------|
|----------------|-------------------------|-----------------|-------------------|

71. On the agreement with the lessee being signed and the security deposit paid, the accountant shall enter the serial number, name of pound, &c., in the index of the register, and shall fill up entries 1 to 9 at the heading of the page assigned to it in the volume, and shall post the amount deposited as security in the deposit ledger.

72. He will then lay the agreement, the register, the deposit ledger, and the pass-book before the Chairman, who shall—

- (a) Initial the entry in the index to the register.
- (b) Carefully compare entries 1 to 9 in the register with the agreement.
- (c) See by reference to the pass-book that the deposit has actually been paid.
- (d) Initial the entry in the pass-book, the deposit register, and memorandum of security deposit received, at the foot of the register, and sign the certificate below entry No. 9 at the head of the register.

73. The accountant will write up monthly the entries of progressive demands, payments, and outstandings in these registers, and on the 7th or nearest working day of each month will lay before the Vice-Chairman the pound and ferry registers, the cash abstract register of receipts, and the pass-book, and the Vice-Chairman will then take up the registers and examine the account of each pound or ferry for the previous month as follows:—

- (a) He will check the receipt by reference to the entries in the pass-book.
- (b) Check the entries in the register with the entries in the cash abstract register in the column "Rent of pounds or ferries farmed out."
- (c) See that the progressive demand, progressive receipts and outstandings have been correctly written up and place his initials in column 8.
- (d) Satisfy himself by reference to the index, if necessary, that no pound or ferry account is missing from the register.

74. The Vice-Chairman will then proceed to deal with arrears and outstandings, and when action is taken by letter of demand or by remission or otherwise, he will call for the register and record the action taken in column 9 and place his initial in column 10.

75. The security deposit, which usually amounts to one-sixth of the annual rent, will ordinarily be taken in satisfaction of the demand for the last two months of the year and should be transferred by adjustment from "deposits" to "pounds" and entered in the pound register on the last day of the year.

If any part of the deposit has been taken as a fine for non-fulfilment of contract, the balance will be taken in part satisfaction of the demand for February and March; and if on the 31st March the deposit or balance of deposit will more than cover the demand, the balance will be refunded in cash to the lessee. But in no case may any sum be removed from deposit and transferred to another head except under the orders of the Vice-Chairman, who shall at the time initial both the deposit ledger and the memorandum of the security deposit at the foot of the register.

AUDIT.

76. The Finance Committee appointed under section 55 of the Act shall audit the accounts of the District Fund before they are submitted to the Accountant-General, and shall certify the result and the correctness of the account as audited by them. The certificate shall be given in Form No. XII.

77. The accounts of the District Fund shall be examined and audited by the Examiner of Local Accounts in Bengal not less often than once in 12 months.

In auditing the accounts, the Examiner shall see that they have been kept and are presented in proper form, that the particular items of receipt and expenditure are stated in sufficient detail, and that the payments are supported by adequate vouchers and authority. He shall ascertain whether all sums received, or which ought to have been received, are brought into account, and shall examine whether the expenditure is in all cases such as might lawfully be made. He shall also reduce such payments and charges as are exorbitant; and shall surcharge moneys not duly accounted for, or lost by negligence, upon the person who ought to account for the same, or whose negligence or improper conduct has caused the loss; and shall disallow and strike out such payments as are not authorised by law or competent authority.

The reports of such examinations shall be forwarded by the Accountant-General, Bengal, to the Commissioner of the Division who shall forward it to the Chairman of the District Board through the Magistrate of the district if he is not the Chairman, and the Chairman shall be bound to remedy any defects or irregularities that may be pointed out by the Accountant-General or the Examiner.

LOCAL BOARDS.

78. The statement of requirements and estimate of probable expenditure to be submitted by the Local Board to the District Board under section 51 of the Act shall be in Form No. II, and shall be accompanied by detailed schedules in Form No. III for each major head of account in respect of which the Local Board has been empowered under section 101 of the Act.

79. The District Board shall forward to each Local Board subordinate to it an extract of so much of the budget estimate of the District Fund, as sanctioned, as relates to the matters under the control and administration of the said Local Board.

80. The District Board shall from time to time make allotments of funds to each Local Board subordinate to it for expenditure on the matters under their control and administration.

81. In making any such allotment, the District Board shall simultaneously send an intimation to the Sudder Treasury Officer, and to the officer in charge of the treasury or sub-treasury at or near the head-quarters of the Local Board concerned.

82. On receipt of such intimation, the officer in charge of the treasury or sub-treasury shall place the amount of the allotment to the credit of the Local Board, and shall enter it on the receipt side of the pass-book of the Local Board. The Local Board shall obtain funds by drawing cheques against the amount of the allotments thus placed at its credit from time to time.

83. Moneys paid into a sub-treasury on account of the District Fund shall not be credited in the pass-book of the Local Board; but shall, when incorporated in the Sudder Treasury account, be credited in the pass-book of the District Board. The Local Board shall send an account of such payments to the District Board not less often than once a month.

84. The Local Board shall keep a cash-book in Form No. V. On the receipt side shall be posted the allotments made by the District Board from time to time; and on the expenditure side shall be posted details of the cheques drawn by the Local Board against the amount of those allotments.

The cash-book shall be closed and balanced on the last day of each month, and signed by the Chairman of the Local Board; and an authenticated copy thereof, supported by vouchers in original, shall be sent within seven days to the Chairman of the District Board.

85. The transactions of the Local Board, as exhibited in the authenticated copy of their cash-book, shall be scrutinized and passed by the Chairman of the District Board, and if found correct shall be at once incorporated in the cash-book and other accounts of the District Board.

3. The Lieutenant-Governor shall have power to exempt any school or class of schools from the operation of all or any of the rules laid down in the following sections.

SECTION I.—GENERAL RULES APPLICABLE TO ALL CLASSES OF SCHOOLS OVER WHICH DISTRICT BOARDS EXERCISE ANY CONTROL.

4. Any school managed, maintained, or aided by a District Board, together with all its accounts, books, and other records, shall at all times be open to inspection and examination by the Educational inspecting officers of the Board, by the Commissioner, by the District or Sub-divisional Magistrate, by the Inspector, and by the Deputy Inspector; and to this end the records and accounts shall be placed in such custody that they shall always be accessible on the visit of any such examining or inspecting officer. Such inspection shall have no reference to religious instruction, but only to secular education.

5. Every such school shall submit punctually and in the prescribed forms such annual and periodical returns as may be called for by the Department or by the Board.

* Section 63 of the Local Self-Government Act—

"Subject to any rules made by the Lieutenant-Governor under this Act, a District Board may with its own consent be charged with, and made responsible for, the maintenance and management of any other schools or class of schools within the district."

6. The text-books in every such school shall be selected from a list published by the Director of Public Instruction.

7. No change of system in the administration or control of grant-in-aid and primary schools or in the conversion of middle vernacular into middle English schools, shall be introduced by a District Board without the sanction of Government. Application for such sanction shall be forwarded to the Director of Public Instruction through the Inspector, who shall record his opinion on the proposal.

NOTE.—If a middle vernacular school is converted into a middle English school, the extra cost is, except under special sanction, to be borne by local subscriptions or increased fees, and is to throw no increased charge on the District Fund.

8. Fees shall be levied from all pupils in schools of every class under a District Board, except from such as may be exempted under rules prescribed from time to time by the Department.

SECTION II.—(A). BOARD SCHOOLS.

Middle and Primary Schools directly managed and maintained by a Board.

9. Subject to the general control of the Department, the Board shall have with regard to these schools the following powers in addition to those conferred on it by section 62* of the Act—

- (1) Of deciding where new schools shall be opened, and the manner in which accommodation for them shall be provided. But no such school shall be opened without the sanction of the Director of Public Instruction to be obtained through the Inspector.
- (2) Of transferring or closing existing schools.
- (3) Of fixing the class and the standard of instruction of every such school; the selection to be made from classes and standards recognised by the Department.

NOTE.—The conversion of a vernacular into an English school, or the opening of an English school with funds saved by the closing of one or more vernacular schools elsewhere, will require the sanction of the Department.

- (4) Of fixing, subject to such limitations as may be from time to time prescribed by the Department, the rate of monthly, admission, and re-admission fees to be paid by pupils in every such school.

10. The Board shall notify to the Inspector all schools opened or closed, and all appointments of teachers on Rs 10 and upwards made by it, stating in each case the educational qualifications of the persons appointed.

11. The list of holidays and vacations to be observed in Board schools shall be fixed annually by the Board, subject ordinarily to the limit of 60 days in the year, exclusive of Sundays. A copy of such list shall be forwarded to the Deputy Inspector at the beginning of each year.

12. No school building or extension of a school building shall be constructed by the Board, unless the site, plans, and estimate for the same shall have been approved by the Inspector if the cost of the work is not to exceed Rs. 1,000, or by the Director of Public Instruction in any other case. But if the expenditure is not to exceed Rs. 250, the approval of the Inspector shall not be required.

13. Strict religious neutrality shall be maintained in Board schools.

SECTION III —(B). GRANT-IN-AID SCHOOLS.

Schools under private management receiving grants from a Board.

General Rules.

14. Whenever funds shall have been made over to a District Board for the benefit of grant-in-aid schools within the district, the District Board shall be charged with and be responsible for the distribution of such funds in accordance with the following rules.

15. Grants shall not be made under these rules to high schools, to girls' schools, or (except with the special sanction of the Department) to primary schools.

NOTE.—If an aided middle school under the control of a District Board be converted, with the consent of the Board, into a high school, the Board may, notwithstanding this rule, continue to aid such school until it shall receive a grant from the Department.

* Powers conferred on the Boards by section 62 of the Act—

- (1) The construction and repair of buildings ;
- (2) the appointment of all masters and assistant masters ; and
- (3) the payment of the salaries of such masters and assistant masters.

16. Applications for grants-in-aid shall be made directly to the Board. Before disposing of any such application, the Board shall consult the Inspector, whose opinion in writing shall be recorded on the application. Should the applicant be dissatisfied with the Board's order, he may appeal to the Inspector. Should the Inspector be dissatisfied with the Board's order, he may refer the matter to the Commissioner for decision.

17. The promoters or managers of any institution by whom application for a grant is made shall appoint a Secretary to conduct their correspondence with the Board.

18. The Board shall not make a grant to any school, other than training schools, night-schools for adults, technical schools, and schools for aborigines and low castes, that does not require a monthly fee, however small, from all its scholars, except such as may be exempted in accordance with a scale to be approved by the Director of Public Instruction. Provided that this rule shall not apply to such scholarship-holders as are entitled to free tuition in accordance with the rules prescribed by Government.

19. Grants-in-aid shall be given on the principle of strict religious neutrality, and no preference shall be shown to any school on the ground that any particular religious doctrines are taught or not taught therein.

20. Should the Inspector discover that the instruction or discipline in any school aided by the Board is not efficient, or that the accounts are not properly kept, or that any of the conditions on which the grant was made are not observed, or should he be in any other way dissatisfied with the management of the school, he shall report the matter to the Board, which shall then take such action as may be necessary.

21. Should the Board on such reference omit to take the necessary action, the Inspector may move the Commissioner to take action under section 125 of the Act. If the Commissioner declines to take action, the Inspector may refer the matter for the orders of Government through the Director of Public Instruction.

22. The managers of schools receiving grants-in-aid from the Board shall be responsible for the due expenditure of the school funds in accordance with the conditions of the grant.

23. The Board shall interfere as little as possible with the local management of a school receiving a grant-in-aid. If the conditions of the grant are not fulfilled, the grant may be reduced or withdrawn by the Board.

24. The Board shall notify to the Inspector all grants suspended, or withdrawn, or reduced, or increased, and all schools opened or closed. It shall be competent to the Inspector to make recommendations in such matters to the Board, and the Board shall take such recommendations into consideration.

25. Grants shall in no case exceed in amount the sums to be expended from private sources, except in special cases under special orders of Government.

Monthly Grants.

26. For middle schools, in which the expenditure is more than Rs. 40 a month, the grants shall not exceed two-thirds of the income guaranteed from private sources, except in the places mentioned below, in which the grants may equal the income guaranteed from private sources :—

schools for adults, technical schools, and schools for aborigines and low castes, the grants may equal the amount guaranteed from private sources.

28. For the purposes of rules 26 and 27, municipal contributions shall be reckoned as receipts from public sources.

29. In respect of any school for which application for a grant is made, full information shall be supplied on the following points, and shall be thrown into the shape given in form A appended to these rules:—

- (a) The pecuniary resources, permanent and temporary, on which the school will depend for support.
- (b) The proposed monthly expenditure in detail.
- (c) The average number of pupils to be instructed.

- (h) The amount of aid sought.
- (i) The existence of other schools of all classes within a distance of four miles.

30. In disposing of an application for a grant-in-aid, the Board shall consider whether the school supplies a want in the locality; whether the teaching staff is competent and adequate; how far its resources, inclusive of fees, are adequate to meet its necessary expenditure; whether the fees charged are reasonable; and whether the funds at the disposal of the Board are sufficient to meet the application.

31. The Board may, for reasonable cause to be duly recorded, either sanction the grant in whole or in part, or refuse it altogether. The Board shall send a copy of its order to the Inspector, and another to the applicant.

32. The sanction to a grant shall be conveyed in Form B, appended to these rules, and on the conditions therein stated.

33. When a grant is sanctioned, the managers shall forward to the Board an agreement on stamped paper to the effect that they will conduct the school in accordance with the conditions of the grant.

34. Grants shall ordinarily be sanctioned for a period of three years, but the Board may, at any time during its currency, for reasons specified in writing, revise a grant. Against such a revision the same procedure shall be observed as is laid down in rule 16.

35. A grant shall ordinarily be reduced on renewal, when this can be done without serious loss of efficiency. Notice of any proposed reduction shall in all cases be given to the managers, who shall be allowed an opportunity of stating any objection that they may have to the reduction. Against any reduction that the Board may make, the same procedure shall be observed as is laid down in rule 16.

36. Leave to teachers of aided schools shall be granted by the managers in accordance with the rules of the Department. Notice of any leave given by the managers to the teachers shall be forwarded to the Board with the next grant-in-aid bill; and the Board may make any objection to the leave. In any such case, the decision of the Inspector shall be final. A monthly statement of the leave granted to aided school teachers drawing Rs. 20 a month and upwards should be forwarded to the Inspector by the Board.

37. The managers of a school shall fix the list of holidays to be observed in the school, subject ordinarily to the limitation of 60 days, exclusive of Sundays. They shall submit the list to the Board not later than the 1st of December next preceding the year for which the list is intended. The Board shall forward copies of the lists of holidays for all schools in the district to the Deputy Inspector on or before the 1st January.

Special Grants.

38. Grants may be given to managers of schools in aid—

- (a) of erecting, enlarging, or furnishing school buildings;
- (b) of executing extensive repairs; and
- (c) in special cases, of paying off debts incurred in erecting or enlarging school buildings.

[NOTE.—Expenditure in the purchase of buildings shall be treated as expenditure in the erection of buildings.]

39. Except in the case provided in the foregoing rule, no grant shall be made in consideration of former expenditure on school buildings.

40. No building grant shall be sanctioned unless the site, plans, estimates, specifications, title and trust-deeds are approved by the Inspector.

41. The trust-deed shall declare the building to be granted in trust for school purposes only. It shall also provide for the legal ownership of the premises, for the proper maintenance of the building, and for the inspection and management of the school.

[NOTE.—This rule does not preclude the managers from using the building for other purposes when not required for the purposes of the school.]

42. No grant shall be finally sanctioned until a certificate is received from the managers, setting forth that the funds in their hands will, when added to the grant, be sufficient to meet all claims and to close the account.

43. Advances shall be made from time to time out of the sanctioned grant, on receipt of a report from the Board's Engineer that the work is proceeding satisfactorily.

44. The grant shall not be paid in full until—

- (1) a report is received from the Board's Engineer that the building is satisfactorily completed;
- (2) the trust-deed is duly registered and a copy lodged with the Board.

45. If the total amount of the building grant does not exceed Rs. 500, and the building is, in the opinion of the Inspector, of such a description that it is not worth while requiring the execution of a trust-deed, the Board shall accept from the managers a written agreement on stamped paper engaging to maintain the building in proper repair for ten years.

46. Loans may also be made to managers of schools for the erection of school buildings. The amount of such loans shall generally be limited to the amount of any grant claimable under rules 26 and 27. The building shall be mortgaged to the Board as a guarantee for the repayment of the loan, and a term shall be fixed within which the loan is to be repaid. Interest at a rate not exceeding 4 per cent may, if necessary, be charged.

SECTION IV.—(C). *Primary schools under private management receiving stipends or earning rewards from a Board.*

47. The Board shall not interfere in the local management of primary schools not directly managed and maintained by it.

48. Primary schools receiving aid from a Board may receive it in the form of fixed stipends or of payment by results. It shall be the general policy of the Board to replace the system of fixed stipends by that of payment-by-results, except in backward parts of the district, and in schools for aborigines or low-castes, girls' schools, and night-schools for adults. No addition shall be made to the list of stipendiary schools without the sanction of the Director of Public Instruction.

49. The Board shall, in consultation with the Inspector, determine the rates of stipends payable to teachers of stipendiary schools, in accordance with rules prescribed from time to time by the Director of Public Instruction.

50. The Board shall be liable for the payment of the stipends of such stipendiary teachers of primary schools as are sent under its orders for instruction in training schools.

51. The Board shall grant rewards to teachers and pupils of other primary schools within the district on the result of periodical examinations, and in accordance with rules prescribed or approved from time to time by the Director of Public Instruction:

Provided—

- (1) that no rewards shall be given under the rules in this section to teachers of schools directly managed by a Board, or of those schools receiving grants-in-aid under Section III;
- (2) that rewards to pupils, other than girls, shall not be given in money, but only in books, maps, or other articles that may be useful to them in prosecuting their studies. Books given as rewards shall be chosen from a list approved by the Director of Public Instruction.

52. Arrangements for such examinations, including the appointment of examiners where necessary, shall be made by the Board in consultation with the Deputy Inspector.

53. All payments and rewards to teachers and pupils, to be granted on the result of such examinations, shall be sanctioned by the Board on the report of the Sub-Inspector, confirmed by the Deputy Inspector.

54. Primary schools shall be regularly inspected *in situ*.

SECTION V.—(D). *Other schools.*

55. The Lieutenant-Governor may, with the consent of the District Board, transfer to its control any schools or class of schools under public management other than those specified in Section II.

56. The District Board may, with the sanction of the Lieutenant-Governor to be obtained through the Director of Public Instruction, establish schools of technical instruction to be maintained from the District Fund.

57. With regard to the schools referred to in the two preceding rules, the Board shall have the powers specified in Section II.

SECTION VI.—*Local Boards.*

58. Whenever a District Board shall, with the sanction of the Lieutenant-Governor under section 101 of the Act, transfer the management, control, or supervision of any school or schools to a Local Board, the provisions contained in the foregoing rules shall be generally applicable to such Local Board; provided that the District Board shall, in all cases, have a general power of supervision and control over such Local Board.

SECTION VII.—*Union Committees.*

59. As regards primary education, the powers conferred on District and Local Boards by the foregoing rules shall be subject to the powers entrusted to Union Committees by section 112 of the Act.

60. In their dealings with primary schools, Union Committees shall be guided by the same general rules as are laid down for the guidance of District and Local Boards.

61. Every primary school under public management, with the maintenance and management of which a Union Committee shall be charged under section 112* of the Act, shall be called a Union school.

62. Subject to the general control of the Department, every Union Committee shall have the power within the Union—

- (1) of determining the places at which Union schools shall be opened;
- (2) of transferring or closing existing Union schools;
- (3) of fixing the class and standard of instruction of every such school: the selection to be made from classes recognised by the Department;
- (4) of fixing (subject to section 36 of the Act) the salary of the guru of every such school, and of removing or transferring him within the Union;
- (5) of fixing the rate of monthly, admission, or re-admission fees payable by the pupils of every such school.

63. Every Union school shall be liable to inspection and examination by the officers named in rule 4.

64. Nothing in these rules shall preclude the establishment and maintenance of primary schools within the Union by private persons or associations; and the teachers of all such schools may, with the sanction of the Union Committee, present their pupils at all examinations for rewards and grants payable by the District or Local Board to the teachers and pupils of primary schools. It shall be the duty of the Union Committee to direct the teachers of such schools to attend with their pupils at any other examinations and gatherings that may be from time to time ordered by the District or Local Board or by the Deputy Inspector.

SECTION VIII.—*Finance.*

65. The educational budget estimates of the District Board shall be prepared, in Form E appended to these rules, by the Deputy Inspector in consultation with the Inspector. The Deputy Inspector shall submit

them to the Board on or before the 1st September in the year immediately preceding that for which they are framed. The Director of Public Instruction shall forward his remarks on the estimates to the Commissioner on or before the 15th October. A copy of the estimates as finally sanctioned shall be forwarded by the Commissioner to the Director of Public Instruction and by the Board to the Inspector.

66. The procedure laid down in the last preceding rule shall be observed in every case when the budget estimate is amended or revised at any time by the Board under section 49 of the Act.

67. No transfer of funds shall be made from the major head 'Education' to any other head, or from any other major head to 'Education' or from one minor head subordinate to Education to another without the sanction of the Commissioner, who shall give notice of any such transfer to the Director of Public Instruction.

68. The unspent balance of the allotment made in any year for educational purposes shall not be subsequently transferred to any purpose other than education without the consent of the Commissioner.

SECTION IX.—*Examinations and Scholarships.*

69. The lower primary scholarship examination shall be conducted in every district, under arrangements made with the sanction of the Inspector, by examiners appointed by the Board in consultation with the Deputy Inspector. Should a difference of opinion arise between the Board and the Deputy Inspector regarding the appointment of examiners, the Inspector may, if he thinks fit, refer the matter to the Commissioner for decision. The examination shall be conducted in the books and subjects prescribed from time to time by the Department. The entire cost of the examination shall be charged to the District Fund.

70. The District Board shall admit to the lower primary scholarship examination pupils of all primary schools in the district situated in areas whether within or outside its control, and all such pupils shall be equally eligible for scholarships: provided that a candidate who has once passed the examination shall not be admitted to it a second time. Pupils of the lower classes of middle schools may also, at the discretion of the Board, be admitted to the examination, but shall not be eligible for scholarships.

71. All lower primary scholarships shall be awarded by the District Board in consultation with the Deputy Inspector. No candidate who has completed the age of 11 years shall be eligible for a scholarship, and not more than one scholarship shall be awarded to the same school in any one year. In the award of scholarships attention should be paid to the encouragement of schools in backward parts of the district. Should a difference of opinion arise between the Board and the Deputy Inspector regarding the award of scholarships, the Inspector may, if he thinks fit, report the matter to the Commissioner for decision.

72. In awarding the lower primary scholarships under the preceding rules, the Board shall be guided by the rules in force in the Department, or sanctioned from time to time by the Government.

73. The upper primary and middle scholarship examinations shall be conducted by the Inspector, and the scholarships shall be awarded by him. The Boards' Sub-Inspectors shall assist the officers of the Department in conducting the examinations. The cost of the examinations shall be borne by the Department.

74. It shall be competent to a District Board, before the award of upper primary and middle scholarships, to make representations to the Inspector in favour of particular schools or tracts which it may deem deserving of special encouragement on account of their less advanced state, or for other reasons, and the Inspector shall take such representations into consideration.

75. The Board shall be furnished annually by the Inspector with an abstract of the results of the upper primary and middle scholarship examinations regarding the schools with which the Board is concerned.

SECTION X.—*Sub-Inspectors.*

76. Sub-Inspectors shall be appointed by the Board, the appointment being notified to the Inspector in each case. Leave may be granted to Sub-Inspectors by the Board in accordance with the rules

79. Sub-Inspectors shall submit their diaries to the Deputy Inspector, who shall forward them with his remarks to the Board.

80. The salary and travelling bills of Sub-Inspectors shall be submitted through the Deputy Inspector to the Board, with whom shall rest the power of passing them. The Deputy Inspector shall scrutinise the bills and submit his remarks thereon for the consideration of the Board.

81. The Board shall be competent to transfer a Sub-Inspector from one part of the district to another.

82. The Director of Public Instruction shall be competent to transfer Sub-Inspectors from one district to another with the consent of the Boards concerned. In such cases the transit pay and travelling allowances of each Sub-Inspector shall be paid by the Board of the district to which he is transferred.

83. Sub-Inspectors, whose services have been or may be transferred from the Department to a District Board, will be eligible for promotion in the graded list of the Department. The promotions of such transferred officers from class to class will be made by the Director of Public Instruction.

84. Sub-Inspectors, who at the time of their transfer to District Boards were or may be rendering qualifying service under the Civil Service Regulations, will continue to render qualifying service after their transfer. The Board will be required to make contributions towards their pensions, equivalent to one-ninth of the sanctioned salaries of their appointments.

85. The Board shall, in consultation with the Deputy Inspector, fix the scale of payments to be made to chief gurus and inspecting pandits employed to inspect primary schools within the district. Should a difference of opinion arise between the Board and the Deputy Inspector regarding the scale of payments, the Inspector may, if he thinks fit, refer the matter to the Commissioner for decision. The appointment, punishment, transfer, or removal of chief gurus and inspecting pandits shall rest with the Board.

86. The primary duties of Sub-Inspectors shall be to inspect schools; and no other duties shall be laid upon them by the Board without the sanction of Government. Application for such sanction shall be forwarded to the Director of Public Instruction through the Inspector.

87. The rules in this Section do not apply to Sub-Inspectors retained under the control of the Department.

SECTION X.—Miscellaneous.

88. The Board shall forward copies of all its educational proceedings to the Inspector, who shall be competent to make observations thereon for the consideration of the Board.

89. A quarterly statement of all payments made for educational purposes within the district, on the authority of the Board, shall be forwarded by the Board to the Inspector, in form F appended to these rules.

90. The Deputy Inspector shall forward to the Board for its information a copy of so much of the quarterly return of his inspection of schools as has reference to schools over which the Board has any control.

91. At the close of every financial year, on such date as may be prescribed by the Department, the Board shall furnish to the Deputy Inspector such educational returns as may from time to time be required by the Department. Any assistance that the Inspector or the Deputy Inspector may require in compiling the returns shall be furnished by the Sub-Inspectors under the Board. The Board shall also submit to the Magistrate, within the time prescribed by the Department, a report of its educational operations. It shall contain such particulars as may from time to time be required by the Department. The Magistrate shall, on or before the 1st May, forward the Board's report to the Inspector, who shall submit it to the Director of Public Instruction with his remarks, together with his own report on education in the circle under his charge.

92. Should a difference of opinion arise between the Board and the Inspector in cases not provided for in these rules, on any question connected with schools and officers under the Board, the question shall be referred either by the Inspector or by the Board, through the Magistrate, to the Commissioner. The Commissioner's orders on such reference shall be final as between the Inspector and the Board, unless a question of principle be involved, in which case, if the Inspector be dissatisfied with the Commissioner's orders, he may refer the matter to Government through the Director of Public Instruction.

THE Dinagapore District Board have resolved, with the permission of the Lieutenant-Governor of Bengal, to borrow Rs. 10,000 (out of two lakhs of rupees) during the current financial year (1889-90) for construction of permanent bridges in their district roads on security of the District Fund formed under Act III (B.C.) of 1885, detailed accounts of which for last two years were published in the *Calcutta Gazette*, Part IB, page 104, dated 7th August 1889.

2. Tenders for the whole or any part of the said amount of Rs. 10,000 will be received by the Vice-Chairman of the Board from this date to Friday, the 31st January 1890. Tenders must be in sums of Rs. 500 or multiples of Rs. 500.

9. To each tenderer (or to his agent) whose tender is accepted in whole or in part, such number of allotment certificates as may be necessary to make up the aggregate amount allotted to him will be issued by the Vice-Chairman as soon as possible after the tenders have been accepted, and a list of the names of those to whom such allotment certificates are issued will be posted for general information at the District Board's Office.
